

## MyMSC Tracking & LFD

- To retrieve tracking and LFD information, including freight and customs release information, click the dashboard menu button on the top left corner of the myMSC dashboard:

- Then select Tracking from the drop down list:

## MyMSC Tracking & LFD

Reference Type:  Bill of Lading Number  Booking Number  Container Number

Search Type:  Tracking  Customs Release  Freight Release  Last Free Date

Reference Number:

MSC Agency:

- You may select between Bill of Lading Number, Booking Number or Container Number to search by
- For search type, enable all choices that you'd like to see when searching. Ensure to click Last Free Date to show LFD when searching
- To retrieve Last Free Date, you'll need to also specify the MSC Agency and search by Bill of Lading Number or Container Number only

*Note: If you are unable to select a MSC Agency, you'll need to add that agency to your myMSC profile and be approved with that respective agency in order to be able to select that agency in this menu. To add an agency, please go to your myMSC profile settings to request agency access.*

## MyMSC Tracking & LFD

- When searching results on the tracker you may switch between Tracking to show all equipment events, Last Free Date to see Last Free Date posted, or Customs & Freight Release to see those dates if they've been posted.
- The yellow arrow under each container can be clicked to expand the full export cycle and events, including anticipated events in the future.
- The green check mark on the right of any container indicates it has successfully arrived at the port of discharge.
